

Have ideas to make community food better?

Want to get paid to gain new skills & meet new people?

FAIR

Join our FAIR-food research team to help improve access to healthy food across Southampton, the New Forest & Isle of Wight.

We're looking for local people 18yrs+ who:

- have experience of using community food (e.g. larder, pantry, food club)
- want to do a part-time programme over 5 months
- can commit to 6 in-person training sessions
- can give 2 hours at home per week

You will:

- gain new skills
- be paid £14.00 per hour
- meet new friends
- get free travel and refreshments
- have expert guidance and support
